[No. 31

The Assembly met in the Assembly Chamber, Trivandrum at eight of the clock on Friday the 24th October, 1969, with Mr. Speaker in the Chair.

**REPORT OF THE COMMITTEE ON PUBLIC
UNDERTAKINGS 1969-70**

Shri M. P. Mohammed Jaffer Khan: Sir, I, Chairman, Committee on Public Undertakings present the Second Report of the Committee on Public Undertakings (1969-70).

Mr. Speaker: The Report is presented.

MOTION UNDER RULES 128 AND 252

DISCUSSION ON THE STATEMENT OF THE CHIEF MINISTER

Shri S. P. Luiz: Sir, during the last three days, we have been discussing here, virtually as a seminar, on the United Front activities. We were able to gather during the deliberations a close glimpse of what is happening behind the iron curtain of the United Front. As far as I am concerned, the United Front had held Himalayan promises to the public, collected votes of the millions and assumed office. Unfortunately, they were today pulled down to dust like the tower of Babylon in confusion under the label of corruption.

Sir, I am grateful to Mr. M. N. Govindan Nair for branding me as a revolutionist and his journal 'Janayugom' has branded me as a C.I.A. agent saying that I am here for the destruction of the United Front. I deny these allegations. As far as Janayugom is concerned, I can say that I have commenced legal proceedings against that paper.
